

**SOUTHGOBI RESOURCES LTD.
AUDIT COMMITTEE
CHARTER**

I. Purpose

The primary objective of the Audit Committee (the “Committee”) of SouthGobi Resources Ltd. (the “Company”) is to act as a liaison between the Board and the Company’s independent auditors (the “Auditors”) and to assist the Board in fulfilling its oversight responsibilities with respect to: (a) the integrity and accuracy of the financial statements and other financial information provided by the Company to its shareholders, the public and others; (b) the Company’s compliance with legal and regulatory requirements; (c) the Company’s risk management and internal financial and accounting controls, and management information systems; and (d) the qualification, independence and performance of the Auditors.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the Auditors.

The responsibilities of a member of the Committee are in addition to such member’s duties as a member of the Board.

II. Organization

The Committee shall consist of three or more independent non-executive directors of the Company. The Committee membership shall satisfy, at a minimum, the laws governing the Company and the independence, financial literacy, expertise and financial experience requirements under applicable securities laws, rules and regulations, stock exchange rules and policies, and any other regulatory requirements applicable to the Company.

The members of the Committee and the Chair of the Committee shall be appointed (and may be replaced) by the Board on the recommendation of the Nominating & Corporate Governance Committee. The appointment of members of the Committee shall take place annually at the first meeting of the Board after a meeting of shareholders at which directors are elected, provided that if the appointment of members of the Committee is not so made, the directors who are then serving as members of the Committee shall continue as members of the Committee until their successors are appointed.

Members of the Committee shall not simultaneously serve on the audit committees of more than two other public companies, unless the Board first determines that such simultaneous service will not impair the ability of the relevant member to effectively serve on the Committee.

Members of the Committee must be financially literate, as the Board interprets such qualification in its business judgment, and all members shall be able to read and understand the Company's financial statements and to understand the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

No member of the Committee shall have (i) been a partner of or otherwise have had a financial interest in the Auditors during the past two years; or (ii) participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the past three years. At least one member of the Committee shall have past employment experience in finance or accounting of public companies, requisite professional certification in accounting, or any other comparable experience or background which results in such individual's financial sophistication (including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities).

Any member of the Committee may be removed or replaced at any time by the Board and shall cease to be a member of the Committee as soon as such member ceases to be a director of the Company. Where a vacancy occurs at any time in the membership of the Committee, it may be filled by the Board on the recommendation of the Nominating & Corporate Governance Committee.

The Committee may form and delegate authority to individual members or subcommittees when appropriate.

The members of the Committee shall be entitled to receive such remuneration for acting as members of the Committee as the Board may from time to time determine.

III. Meetings

The Committee shall meet as frequently as the Committee deems necessary to carry out its duties effectively, but not less frequently than four times per year. The Committee shall meet at least quarterly with management, the Company's financial and accounting officer(s) and the Auditors in separate sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. Meetings may be held in person, by telephone, by video-conference or by any combination of any of the foregoing,

to the extent permitted by the Company's constating documents and applicable corporate law.

A majority of the members of the Committee, present in person, by video-conference, by telephone or by a combination thereof, shall constitute a quorum. Matters decided by the Committee shall be decided by a majority vote. The Chair of the Committee shall have an ordinary vote and not a casting vote.

The Chair of the Committee shall be an independent chair who is not the Chair of the Board. In the absence of the appointed Chair of the Committee at any meeting, the members shall elect a temporary Chair from those in attendance at the meeting. The Chair of the Committee, in consultation with the other members of the Committee, shall set the frequency and length of each meeting and the agenda of items to be addressed at each upcoming meeting. The Chair shall ensure that the agenda for each upcoming meeting of the Committee is circulated to each member of the Committee in advance of the meeting.

The Committee will appoint a Secretary who will keep full minutes of all meetings. The Secretary may be the Company's Corporate Secretary or another person who does not need to be a member of the Committee. Draft and final versions of the meeting minutes shall be sent to all members of the Committee within a reasonable time following such meetings, which, in the case of draft meeting minutes, shall be circulated no later than 21 days following the date of the applicable meeting.

The Committee may invite, from time to time, such persons as it may see fit to attend its meetings and to take part in discussion and consideration of the affairs of the Committee. The Company's accounting and financial officer(s) and the Auditors shall attend any meeting when requested to do so by the Chair of the Committee.
